Dear Human Resources Manager, North Star Alliance

I am writing to express my interest in the Monitoring and Evaluation (M&E) role at North Star Alliance. I have been working in the M&E field for the past three years, and I have a strong track record of success.

In my previous role as M&E Officer at the Kenya Youth Employment and Opportunities Project (KYEOP), I was responsible for designing, implementing, and managing M&E systems for the project. I have a proven ability to collect, analyze, and report on data in a timely and accurate manner. I am also skilled in using a variety of M&E tools and software.

In addition to my technical skills, I am also a highly motivated and results-oriented individual. I am confident that I have the skills and experience necessary to be successful in this role.

I am particularly interested in North Star Alliance because of your organization's commitment to social impact. I am passionate about using my skills to make a difference in the world, and I believe that North Star Alliance is a great place to do that.

I have attached my resume for your review. I am eager to learn more about the M&E role at North Star Alliance, and I look forward to hearing from you soon.

Thank you for your time and consideration.

Sincerely,

Nicholas Rotich
